Electro Surgical Instruments

Company Profile

RB MEDIKAL Electrosurgical Instruments (ESI) is an offshoot of RB MEDIKAL specializing specifically in the vast field of electrosurgical instruments. ESI shares the premises and infrastructure with its parent company and also capitalizes on the existing technology while adding exclusive machinery solely for its technical scope. Since RB MEDIKAL already enjoys international joint ventures with German and Japanese companies, the electrosurgical range is made as per certified international standards (IEC 60601-1 and IEC 60601-2-2) and stands ready to be accepted in the competitive international markets. RB MEDIKAL INSTRUMENTS is ISO 13485:2003 - Medical Devices Certification, ISO 9001:2008 - Quality Management System Certification, Medical Devices Directive 93/42/EEC certified company.
